search for **Nokia Lumia 530 Support**

Nokia Lumia 530

Welcome to the Nokia Lumia 530

This Quick Start guide tells you how to set up your **Nokia Lumia 530** and use its key features.

How to Turn On your New Device

To turn on your phone to start, press and hold the **Power** button.

Then follow the instructions to set up your phone. To turn the phone off, press and hold the **Power** button. A **Power off** message will appear: "slide down to power off". Swipe your finger down the screen.

How to Change your Ringtone

1. From the start screen, swipe left to view the **Apps** list. 
2. Tap **Settings**.
3. Tap **ringtones +sounds**.
4. Tap the **Ringtone** field.
5. Tap the desired ringtone.

How to Answer a Call

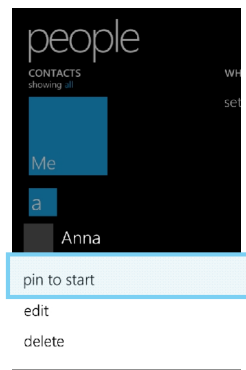

1. When you receive a call, the **Incoming call** screen opens. 
2. Tap **answer**.
3. Or, if the display wakes up when you receive a call, **slide up** from the bottom to unlock the screen first, then tap **answer**. 

How to Pin a Contact to Start

1. From the start screen, tap the **People** Tile.
2. Swipe left to view the **Contacts** screen.

3. Press and hold the name of that contact until a menu appears.
4. Tap **pin to start**.

How to Send an SMS or MMS

1. From the start screen, tap the **Messaging** Tile.
2. Tap the **new** icon.

3. In the **To** field, enter the recipient's phone number, or tap the **+** icon to select from the contacts list.

4. Tap the type a **message** field.
5. Enter the desired message.
6. Tap the **send** icon.

Appendix
